

Maliseet Community Development Authority's (MCDA) Program Partners

MCDA will coordinate the Wolastoq-St. John Watershed Restoration Program with collaborative partners including but not limited to:

- Maine Department of Agriculture, Conservation, and Forestry;
- Maine Department of Transportation;
- Maine Department of Environmental Protection;
- Maine Department of Inland Fisheries and Wildlife;
- Northern Maine Development Commission;
- USDA's Natural Resources Conservation Service;
- The Nature Conservancy;
- and Trout Unlimited.

These partners will support MCDA's capacity building through technical assistance, collaborative education and outreach to stakeholders, and collective problem-solving. MCDA will develop relationships with other leadership groups in the Wolastoq-St. John Watershed such as the Aroostook Municipal Association, Soil and Water Conservation Districts, Mi'kmaq Nation, and Atlantic Salmon for Northern Maine in the context of a well-resourced planning effort with real prospects for significant investments in infrastructure.
